INSTRUCTIONS - READ CAREFULLY

NOTICE:

Your complaint is subject to dismissal unless it conforms to these instructions and this form.

1. To start an action you must file an original and one copy of your complaint with the court. You should keep a copy of the complaint for your own records.
2. Your complaint must be legibly handwritten, in ink, or typewritten. You, the plaintiff, must sign and declare under penalty of perjury that the facts are correct. If you need additional space, DO NOT USE THE REVERSE SIDE OR BACK SIDE OF ANY PAGE. ATTACH AN ADDITIONAL BLANK PAGE AND WRITE ON IT.
3. You must file a separate complaint for each claim you have unless the various claims are all related to the same incident or issue or are all against the same defendant, Rule 18, Federal Rules of Civil Procedure. Make a short and plain statement of your claim, Rule 8, Federal Rules of Civil Procedure.
4. When these forms are completed, mail the original and one copy to the clerk of the United States district court for the appropriate district of Texas in the division where one or more named defendants are located, or where the incident giving rise to your claim for relief occurred. If you are confined in the Texas Department of Criminal Justice, Correctional Institutions Division (TDCJ-CID), the list labeled as "VENUE LIST" is posted in your unit law library. It is a list of the Texas prison units indicating the appropriate district court, the division and an address list of the divisional clerks.

**FILING FEE AND *IN FORMA PAUPERIS* (IFP)**

1. In order for your complaint to be filed, it must be accompanied by the statutory filing fee of \$350.00 plus an administrative fee of \$50.00 for a total fee of **\$400.00**.
2. If you do not have the necessary funds to pay the fee in full at this time, you may request permission to proceed *in forma pauperis*. In this event you must complete the application to proceed *in forma pauperis*, setting forth information to establish your inability to prepay the fees and costs or give security therefor. You must also include a current six-month history of your inmate trust account. If you are an inmate in TDCJ-CID, you can acquire the application to proceed *in forma pauperis* and the certificate of inmate trust account, also known as *in forma pauperis* data sheet, from the law library at your prison unit.
3. The Prison Litigation Reform Act of 1995 (PLRA) provides "... if a prisoner brings a civil action or files an appeal *in forma pauperis*, the prisoner shall be required to pay the full amount of a filing fee." See 28 U.S.C. § 1915. Thus, the court is required to assess and, when funds exist, collect, the entire filing fee or an initial partial filing fee and monthly installments until the entire amount of the filing fee has been paid by the prisoner. If you submit the application to proceed *in forma pauperis*, the court will apply 28 U.S.C. § 1915 and, if appropriate, assess and collect the entire filing fee or an initial partial filing fee, then monthly installments from your inmate trust account, until the entire \$350.00 statutory filing fee has been paid. (The \$50.00 administrative fee does not apply to cases proceeding *in forma pauperis*.)
4. If you intend to seek *in forma pauperis* status, do not send your complaint without an application to proceed *in forma pauperis* and the certificate of inmate trust account. Complete all essential paperwork before submitting it to the court.

**CHANGE OF ADDRESS**

It is your responsibility to inform the court of any change of address and its effective date. Such notice should be marked "**NOTICE TO THE COURT OF CHANGE OF ADDRESS**" and shall not include any motion for any other relief. Failure to file a NOTICE TO THE COURT OF CHANGE OF ADDRESS may result in the dismissal of your complaint pursuant to Rule 41(b), Federal Rules of Civil Procedure.

## Statement of Claim Malpractice

Honorable judge I would like to state my claim in this matter against Dr. Mangari tho M.D. here at the Henderson County jail and also Sheriff Batio Hillhouse for being the man along with Captain Starkay that makes all tho decisions on what is proper procedures here at the jail and also Supervisor Blake of Medical I was set up by request form to see the doctor on 12-16-16 by Calvin Taylor about a growth on my nose he is a Med tech here at tho jail. I am enclosing my copy of that

(2)

request. I explained to Dr. Mongari when this thing came up as stated in the request form. The doctor said it looks like a mole. This growth has doubled in size since Oct 5<sup>th</sup> when I arrived here and I also told the doctor that when it bleeds randomly the blood smells like something dead it stinks. He seemed very non caring didn't even come closer to examining it at all all he did was say he would set a Dermatologist up to see this growth. I was told by staff and Supervisor Blake that it takes a long time to see one of those kind of doctors and that I would surely be gone before I could have anything done about this growth that could very well be cancerous and make me lose my nose. Those accusations were strictly ones that portrayed smoke screen to shuffle me thru the system to relieve Botic Hillhouses (if) and the County for something that originated here of any liability. This thing came up on my face here and they should take care of it. It should be removed with no threat of cancer being left

(3)

behind even if Chemo is part of the treatment.

Attachment on Claim of Malpractice and Relief

Honorable judge \_\_\_\_\_ of Court  
I Windell Robinson would in fact like to add that I spoke to Calvin Taylor with Officer Ford present about my doctor visit and what was said on 12-16-16  
I let both of these people know that they were trying not to see me claiming a factor of this. It may take so long that I would be released or gone thru the system. So I feel that what is being said to me is that Sheriff Bette Hillhouse and Medical aren't going to take care of this thing at all. Sir this thing originated on <sup>my</sup> face here at this jail in either Dec 2014 or Jan of 2015 I will take a lie detector to prove this fact to in fact show that this jail is responsible for the care of this matter that could make me lose my nose if not removed.

I would like to ask the court for relief in this matter in a monetary nature concerning Malpractice in the

(4)

amount of \$100,000<sup>00</sup> for the medical that will be needed to cover this procedure and or the possible loss of my nose. I feel that the people that I have named in this Statement of Claim are responsible for not caring for me Medically while being in there custody. I feel that Malpractice is definitely what is taking place here by avoiding the issue. Calvin Taylor and officer Jordon agreed that it should be taken care of while in here.

Captain Starkay sir I am in wondering of how long that you are going to be able to make people think that they can not use the hole in the wall Law Library that I know exists in this jail sir? Please have a little Compassion for us we are people in need of a Law Library. Sheriff Beto Hillhouses jail and yours is the only one around here that is a city of the size of Athens that don't provide Law Library Studies. Sir all you can say is that your Attorney is adequate access to the Courts and send that little sticker that doesn't come out of any law book saying that very phrase and also that this jail is not mandated to have a law library. Sir with all due respects what is a person to do that has one of this County's sorry Court Appointed Attorneys? These Attorneys are interested in one thing a quick \$750<sup>00</sup> check and they sell out their clients quickly to get it with very shallow

continued request to Capt. Stickey

(2)

efforts in their clients behalf. Have you and Mr. Hillhouse no compassion at all sir? There are people that are addicted to a drug Meth in your County that is floating in Methamphetamine. I know this sir and I know it doesn't matter to you, with your officers trying to get me convicted and with your DA R. Scott McKee that has a long lived grudge against me for fighting 3 assault with a deadly weapon charges when Ronnis Brownlow was Sheriff I need law Library no matter what you say R. Scott McKee told my Attorney James Kitchens in 2014 that he had that grudge I speak of and it is recorded at the Court House in the District Clerks file Betty Vernag and also in Clerk of Court files at the United States Federal Court in Tyler Texas. I can not get the proper representation that I need thru one of these sorry Attorneys in this County. I don't have the money to hire one your Bailiffsman have broke me at the present time. I am trying to go to Ceniker and so is my wife Tiffany Tyers sir. Honorable Captain Stickey sir I would like to request some kind of schedule set up here at the County jail where Botie Hillhouse is Sheriff to pull 5 inmates 3 ~~hours~~ times a week every 2 hrs at 6 hour days to

(3)

continued request to Capt. Starkey

attend a room with 5 typewriters and a set of updated law books sir. This is to self help themselves because of this County's Attorneys putting forth a bunch of shallow efforts for their clients. I would also like to ask and request that you tell all your officers that have a Notary Stamp to put stamps on Handwritten Documents and make copies for the Courts in triplicate sir.

Honorable Captain Starkey sir please consider all these things we are having our Civil Rights violated under the 4th 10<sup>th</sup> 5<sup>th</sup> and 14<sup>th</sup> amendments of the United States Constitution sir. I request that you send me a copy of this letter with your and Botie Hillhouse's reply sir. I doubt that you will comply sir. Please do the right thing and give us what federal law says about Law Library in County jails.

I have sent a copy of this letter to my dad in the freeworld.

### Statement of Claim

In the matter of denial of access to the courts I would like to voice my statement for relief in this matter and also give good reason for the relief that I seek for all the inmates of this County jail. Sir I would like to have the Federal Courts Mandate jail Standards and the Henderson County Detention Center to make it a rule that Sheriff Hillhouse and Capt. Stanley be made to have a little compassion for these fellow man and quit there denial of access to the Courts at the jail.

He live in a County that is floating in Meth. The cause of most peoples incarceration here. We have Attorneys here

(2)

that do not care about getting anything for you that is fair they desire that quick check of 750<sup>08</sup> and push you on the trail to prison as quickly as possible. Mr. Hillhouse has this jail packed full of people for Meth use. Sir it seems that this County has created a revolving door here a sort of job security in fact with no Drug Rehabilitation available for people most all the time. Our so called Attorneys are not adequate access to the Courts as Captain Starkey says along with Sheriff Hillhouse barking him in the matter. The sticker that was posted on the wall in my dorm that I sent to you is just a dry attempt at keeping people from asking for the access to the Courts that they deserve sir. I have personally been told by Sheriff Hillhouse that we get the only library that jail Standards says we the inmates of this jail deserve. Actually a 3x4 Book cart with a bunch of trash books nothing concerning access to the courts sir. There is already a room here that would

(3)

helps with our needs for access to the courts. Sir I would like to say in behalf of me and my wife Tiffany Anne Tyer my common law wife I would like to say that the relief that I entered concerning Sheriff Hillhouse and Starker in their capacities for \$75,000.00 each for a grand total of \$150,000 dollars will be used so me and my wife won't have to live in poverty while serving our time in prison whatever the time frame may be even as little as 5 yrs TDCJ for each of us because with the proper access to the courts that I speak of I believe that I could actually beat our cases. This County is crooked sir. They are using Entrapment techniques to put people in jail to keep their revolving door producing job security.

Another thing that is going on here is organized crime in the Court System. This is the only County that I know of and even the Bonding Companies here can't believe that the Courts can get

(4)

away with pulling your Bail Bond when you get indicted/rearrested and put a 15 to 20,000 higher than your first on you to be paid to the same Bondsman all over again. I would think a form of Double Jeopardy for me and my wife Tiffany Tyler I have had to pay 4 Bailbonds amounting to over \$6000.00 when in the beginning we paid 1800.00 to Bond out. They do this all the time in this town and I think it is because no one challenges their actions. I SAIAH: 10

Me and my wife are trying to get S.A.F.E. P or some form of Rehabilitation we need and want this badly. I myself was allowed drug Rehab 1 time 30 yrs. ago in Texas. My wife Tiffany Robinson Tyler has never in her life been in a program. We deserve help.

Sir I won't go on about this crooked mess and elaborate on it any further. Sir I intend on pushing this suit all the way for me and my wife's sake if we aren't awarded Drug Rehabilitation

(5)

I Windell Robinson will submit to a lie detector test on any of the facts listed in this usc 1983 Civil Federal lawsuit that I am submitting. I have noticed that everytime a County Sheriff and his staff are involved in one of these suits the Sheriff always retires of his position or steps down is this a way to keep from facing the claims?

Attachment on Medical

To the Honorable Judge that this civil matter may be assigned to, Sir I would like to bring to your attention something else that I believe should be of Malpractice nature is the poor screening of inmates when they are taken into this jail sir. There is a man in here with us that has mentally ill stamped on his parole papers and they have just thrown him in the tank with me and 6 other men. I seen the stamp myself on his paperwork. I think this is a very poor screening process that allowed this to happen. They have not tried to do anything about it at all. He sits around making cat and dog noises all the time and lays in his bed grunting and moaning all night long. I think this is a Medical Malpractice issue as well as the growth on my nose. I spoke to officer Strickland and Lord this morning about him and all they said was oh he will be gone soon. That is all they did.

I was set to see the Dr. Mongari on the date 12-10-16 Sat. Sir at that time I was told by Mongari and supervisor Blake that it would be impossible to see a doctor of this nature. They said that I would in fact be released or done here and shuffled on thru the system. I don't understand why you people are trying to get out of taking care of this problem it originated here in this jail. I believe it is of a cancerous nature it stinks like something dead and I want it taken care of. I realize this could be expensive and my even involve some chemo treatment. I do not expect to get a copy of this back so I am making my own.*

*Honorable Captain Starkey Sir, I am submitting both of these at one time because I already know how you and Sheriff Botie Hillhouse will respond to these procedures. Why is it that there is no Law Library in this jail when all you can say is supply an article number and we will get help. I don't understand your theory when there is 1000s of articles that a person may find help with in a set of Law Books. Sir can you name any article that might help me in Codes of Criminal Procedures? Can you tell me what a Motion of Dueces Jecum means without looking it up in a Black's Law Dictionary I think not sir. My grievance is why don't we have Law Library studies in this jail and why don't you have Notary Stamp on handwritten documents available. Federal law says we have the right for both.*

Clerk of Court Sir,

Sir as you can see I hand # 371<sup>00</sup> & I draw a SSI check in the amount of # 693<sup>00</sup> a month I do believe that it will probably be cut off this month.

I have a lady in Carrollton named Paula Daughtry that is splitting that check between me and my common law wife Tiffany Anne Tyler. Due to the thought of that check being discontinued is the reason that I have asked to proceed in forma Pauperis. I am already paying off an overdraft to S.S. Administration 40<sup>00</sup> a month.

Thank You  
So much

Respectfully

Kindell Robinson
